PLACEMENT CELL (2020-2021)

ACTIVITY REPORT

"The future belongs to those who believe in the beauty of their dreams"

The Placement Cell Report serves as a comprehensive reflection on the activities, achievements, and challenges faced by the Placement Cell during the academic year 2020-2021. In the face of unprecedented circumstances brought about by the COVID-19 pandemic, the Placement Cell navigated through myriad challenges to uphold its commitment to facilitating career opportunities for students. This report encapsulates our efforts in adapting to the new normal, leveraging innovative strategies, and fostering collaborations to ensure that students received valuable internship and job placement opportunities despite the disruptions caused by the pandemic. Through this report, we aim to provide stakeholders with insights into our endeavors, accomplishments, and the way forward as we continue to support the professional growth and aspirations of our students.

In order to enlighten students, the Cell conducted following Guest lectures throughout the academic year-

Sr.No	Name of the Resource Person	Topic	Date	No of students attended
1	Adv. Anant Shaligram	Career avenues in the field of labour laws	11/07/2020	120

2	CS Kavita Sethi Jain	Career Challenges in the Corporate Field- Post Covid Era	24/07/2020	127
3	Adv. Ritu Agwekar	The art of CV writing: Practical Insight	24/04/2021	175

Amidst the sudden onset of the COVID-19 pandemic, placement cell faced an array of daunting challenges. Internship opportunities were disrupted as companies suspended or canceled programs due to widespread shutdowns and travel restrictions. The transition to remote work further complicated matters, as many companies struggled to offer virtual internships or modify existing programs. Networking, crucial for securing internships and jobs, took a hit with the cancellation of career fairs and campus recruitment drives. The lack of preparedness and uncertainty surrounding the pandemic exacerbated these challenges.

Despite these challenges, the placement cell successfully arranged for certain internships that could be conducted online. Proactively, we reached out to specific advocates and companies, urging them to consider hiring our students for virtual positions, ensuring that they could continue their learning and professional development without missing out on valuable opportunities.

Apart from maintaining active communication through electronic medium of whatsapp throughout the year, the Cell also conducted meetings on regular basis so that a good communication shall be maintained with all registered students. The meetings were also aimed at securing the feedback of various activities and they acted as "common grievance redressal platforms."

Considering this, the Placement Cell conducted the Student Profiling of first year students of both five year & three year law courses with two fold objectives- To make itself aware about the prospective candidates and to plan to give justice to their expectations from the Placement Cell in coming future.
